“There is such satisfaction and relief when I know it’s a loss that’s going to be handled by Economical.”

In Linda Bradley’s work with claimants, it’s all about relationships. That’s why she’s especially grateful for the excellent connections she’s made with Economical, helping her to truly be an advocate for her clients. “Economical gets where we’re coming from and they get that we’re going to live out our name,” Linda says. “They look after people.”

Because their story is ours too.
